## WEATHER GOOD, TRACK BAD

LATONIA PATRONS TURN OUT WELL DESPITE EXTREMELY HEAVY GOING.

Favorites Reward Their Admirers—Star Jasmine and Poppee Win for Owner McDowell—Asparagus Sam No Longer a Maiden.

Sam No Longer a Maiden.

Cincinnati, O., October 19.—The return of fine weather brought out an attendance of the former good standard at Latonia today and aroused renewed interest in the racing. The track was a veritable quagmine, being in the worst of more than ordinary sturdiness to run on it successfully. The difficult going had no terrors for the spectators and the volume of speculation was above the average. Favorites were surprisingly successful during the afternoon, most of the winners being first choices. The best race on the card went to T. C. McDowell's Star Jasmine, which indulged Hunk O'Day with the lead to the last cighth, then passed him to win easing up. Hank O'Day outstayed Lady Rotha for second place. The latter might have been more dangerous with a stronger rider. The success of the favorities began in the opener when Asparagus Sam emerged from the maiden class, He won cantering by as far as his rider elected. Argument stumbled in the first eighth of the race but her rider, Denny, escaped injury.

Roadmaster was an intended good thing in the second race, with Rio Brazos next in demand, but both failed to run to a place, Doctor Kendall spreadeagting his opposition with Transport and Palm Leaf getting the minor positions.

Silver Bill only had to canter in the third to outstay Manassen and Feather Duster. Syrian was another choice that won, but he was lucky, as Lady Mexican and Lady Panchita, which finished second and third respectively, should have finished in front of him. Lady Mexican was cat off on the lower turn, when she attempted to move into the lead, and Lady Panchita was away poorly. The McDowell stable made it a double for the afternoon, when Poppee won the sixth race, with Lady Worthington and Countess Wilmot following. There was some support for Thistie Green in this race, but she boiled on the stretch turn.

According to Mose Goldblatt, the yearlings he purchased at today's sale were for Jefferson Living-Stor's account.

In Perth last week the select committee on horse racing, representing both Houses of Parliament, filed its interim report, recommending immediate legislation to stop street and shop betting. Powers of arrest are to be given, but as in other states where shop and street betting are supposed to be non-evistent, a demand will always create a supply. Therefore, no matter what the law may set forth to the contrary, there will always be someone willing to take the risk of laying a bet in a shop or in the street.—Sydney Referce.

Some time back the South African Jockey Club came to the conclusion that too many indifferent horse were reaching that country from England, and decided to levy a \$250 tax upon every horse imported for racing purposes, while those imported for breeding only were to be admitted free. The feeling among racing men was adverse to the tax, and various petitions against it were forwarded to the Jockey Club with the result that the matter was given further consideration by that body. By a majority of seven to five the tax was repealed.

## DISAGREE WITH MOUNT ROYAL JUDGES.

Monipal, Que., October 19.—Another demonstrations owed the placing of the horses after the fourth race today when Monty Fox much the same manner as that recently won much the same manner as that recently won the outside and closing up fast, while Monty Fox was running close to the inner rail and quitting was running close to the inner rail and quitting in the closing strides. There was no doubt that Monty Fox lasted long enough to win.

Monty Fox lasted long enough to win.
The card was a featureless one and run over a track deep in mud owing to a heavy overnight rain. The stallion King Cobalt, owned by Grant Hugh Theorems, after an absence of four years from the Browne, after an absence of four years from the large, came back this afternoon and won a purse large eased up at the finish.

Don Kinney has purchased the contract on jockey & Wolstenholm.

The sixth race was declared off and none substituted.

LAUREL CONDITIONS MUCH IMPROVED.

Montresor Wins the Canvas Back Handicap and Is Bid Up-Interesting Track Gossip.

Laurel, Md., October 19.—Racing conditions were greatly improved at Laurel this afternoon. Mild weather, a better track and fields of higher class than have been seen while the track was muddy, were responsible for increased interest in the sport. The Canvas Back Handicap, a dash of three quarters with selling conditions, was the feature race. It brought a well-balanced field to the post and T. J. Healey furnished the winner in R. T. Wilson's Montresor, which came from behind in the stretch and won easily from Fenmouse, with Ahara, the pacemaker, third. Sam Louis, who has been in the limelight in selling race run-ups here since his arrival from Canada, advanced the winner from \$1,000 to \$2,200. Montresor was retained for Mr. Wilson. It was the biggest run-up of the meeting. T. J. Healey, acting as agent for R. T. Wilson, then claimed August Belmont's Fenmouse, which finished second, for \$2,440.

There were two other run-ups during the afternoom. After My Donnie won the opener H. C. Hallenbeck advanced him from \$400 to \$800 and secured him. Sam Louis had claimed the horse from Mr. Hallenbeck in his previous race.

A. C. Parretto ran Scorpii up \$400 over his entered price, but the colt was retained at \$805.

The poor start in the second race was no fault of starter Cassidy. Just as the barrier was released the winner, Sprint, bolled to the fence, shutting off half of the field and forcing their riders to pull up. But for this the start would have been a good one. George Odom, who trains the filly, says that Sprint is troubled with three bad teeth and that the least pressure on her mouth will make her run out. This absolves McTaggart from all blame in the matter. It was jast one of those occurrences that are liable to happen at times.

Jockey J. Butwell announced that he will probably ride free lance next year. As yet he has not signed with any stable, though his present employer, Andrew Miller, has an option on his services for next year.

S. C. Hildreth will winter the August Belmont borses at Belmont Park. The winter colony at the Long Island track will be larger this year than ever before. Besides the Belmont string, there will be those of C. K. G. Billings, R. T. Wilson, Oneck Stable and the big string owned by G. A. Cochran.

Oneck Stable and the big string owned by G. A. Cochrm.

Edward Heffner will ship the Hallenbeck horses to their owner's farm near Red Bank, N. J., at the conclusion of the Pimilico meeting, while Albert Simons will go to Louisville with the division of the Harry Payne Whitney stable which he will train next year.

Jockey Tommy McTaggart and his wife will accompany his brother, Johnny, with his bride, on their honeymoon trip to California. Their plans are to leave immediately following the close of the Bowie meeting and, on their way home, they will visit Havana for a couple of weeks.

W. A. Carter was an arrival at Laurel this morning with the platers O 'Tis True and Nathan R. He has been taking in the fairs in Pennsylvania and shipped from York to Laurel.

Emil Herz, whose Marshon finished second to Dartworth in the sixth race yesterday, bid the winner up \$505 over his entered price of \$300. The horse was retained by Gene Wayland, in whose colors he runs,

## ADHERING TO SELLING HANDICAP IDEA.

Baltimore, Md., October 19.—In its stake book for the fall meeting to begin at Pimlico, November 1, the Maryland Jockey Club calls attention to its plan for making the conditions of selling races more equitable than has been the custom. The belief is expressed that no conditions can be framed which will bring horses together on fairer terms than those of a handicap conscientiously made. The notice continues:

"Acting upon this belief, the Maryland Jockey Club has, so far as is possible, eliminated from its books those forms of selling races which have given opportunity for some persons, by reason of their greater weaith, influence or other advantages, to successfully violate the correct principles governing such races, and in lieu thereof offers its patrons a variety of 'free selling handicaps' which it is hoped will afford equality of opportunity to all and special advantages to none.

"These free handicaps will close and the weights will be published free of charge or obligation on the

advantages to none.

"These free handicaps will close and the weights will be published free of charge or obligation on the part of those entering them up to the time fixed by their conditions for declaration. Entries not then declared will each assume a liability of \$5 to be paid to the winner." The usual conditions as to scratching will apply.

The program outlined in the stake book is a good one, with a steeplechase carded for nearly every day.

one, with a steeplechase carded for nearly every day.

The two new barns erected since the spring meeting are among the most important improvements noticeable at Pimlico. They are situated in the rear of the grandstand, between the stables usually occupied by Capt. E. B. Cassatt and R. T. Wilson, president of the Saratoga Association, and will accommodate twenty-eight horses each. A new boiler room, furnishing an ample supply of hot water, is near by, and a hydrant is located convenient to both stables.

The string of R. J. Mackenzie, of Canada. in charge of trainer Jack Adkins, has been assigned to one of the new stables. The Mackenzie racers are making their first appearance at Pimileo, and comprise such good performers as Buckhorn. Leo Skolny, Sea Shell, San Vega and Helen Barbee. Near by, Dr. J. S. Tyrce's runners, twelve in all, handled by Dr. R. B. Larrick, will be located.

H. C. Hallenbeck, owner of The Finn, Iron Duke and other much-talked-of thoroughbreds, has reserved stalls at Pimileo for the first time in years. W. H. Karrick has twelve belonging to H. K. Knapp and S. L. Parsons.

One of the most important strings is that of August Belmont, chairman of the Jockey Club, who has engaged accommodations for eighteen head in charge of trainer S. C. Hildreth.

The great four-yeor-old Roamer, owned by Andrew Miller, will be located with the horses of A. J. Goldsborough, who is expected to bring twelve or thirteen head to Pimilco.

New Orleans, La., October 19.—The position of steward for the Fair Grounds meeting was created at a meeting of the beard of directors of the New Orleans Business Men's Racing Association today, and Thomas C. Campbell was appointed. Mr. Campbell accepted. He will enter at once upon his duties and during the absence of Judge Joseph A. Mur-hv, who is also manager of the meeting, Col. Campbell will be in executive charge. Judge Murphy will leave in a few days for Bowie to officiate as presiding judge. He will return here early in December to arrange for the inaugural of the second meeting of the Business Men's Association.

The position of steward gives Col. Campbell executive charge of the business management of the grounds and access to the judges' stand. He will advise with Judge Murphy on matters appertaining to the general welfare of the sport. The appointment was made by Judge Murphy and was ratified by the directors.

Arrangements for the running of special racehorse trains to New Orleans from Cincinnati immediately following the close of the Latonia meet-

ing have been completed by assistant general passenger agent J. Kemp Ridgely. Judge Murphy discussed the movement of the thoroughbreds with Mr. Ridgely today and the two were in thorough accord on the question of offering all facilities possible for the free movement and proper care of the animals for which stable room is being reserved here.

"I have no doubt but that this meeting is going to eclipse the banner meetings of the old days in New Orleans," declared Judge Murphy. "My correspondence with eastern and western owners and trainers indicates a general and a healthy interest in the doings of the New Orleans people. We have contracted for the enlargement of the stable room so as to give us room for 1,000 thoroughbreds, and from a conservative estimate of the future, every stall will be taken."
